

## Directions to the Cambridge US offices:

### Public Transportation to Cambridge Consultants:

#### MBTA ('The T')

The Cambridge Consultants office is conveniently located near the Kendall/MIT Station of the MBTA Red Line. Once at Kendall Square station, go above ground and walk toward Kendall Square/Boston & Longfellow Bridge. Depending on which stairwell you go up this could be 20 feet to 50 yards. The Square may be identified by a fountain in the middle which resembles a globe. Once at the Square, with the Bank of America at your back, walk through the fountain area and cross the street. After crossing the street, turn right and walk towards the Longfellow Bridge. Approximately 100 yards up on the left will be the Cambridge Consultants office building, 101 Main Street. Cambridge Consultants is on the 9th floor.

### Parking near the office:

Cambridge Consultants does offer limited parking for visitors in our own building but please ensure that this is arranged prior to visiting the office. Alternatively, we pro-

vide validated parking at the Kendall Sq Garage (Pilgrim Parking). The garage is located at 350 Kendall St. off of Third St. Please bring your ticket to our reception desk for validation when you arrive..
